

Meet Your Neighbor

Jill Moreno opened Curves in April and is extremely pleased with its early success. Curves is a Texas based franchise established just 10 years ago and already boasts over 9,000 locations worldwide. Open 6 days a week Curves offers a 30 minute workout that combines cardio exercise with strength training. Attributing her success to an aggressive advertising campaign and networking with fellow businesses, Jill is thrilled to be in Siesta Village. Curves offers an exercise program that appeals to all ages. Jill's youngest member is just 15 and her most mature is 87 years young! Having spent the past 22 years in the real estate business on Florida's east coast, Jill is happy to be in Sarasota. When not promoting Curves, Jill shows horses, loves to read and go to the movies. SKVA welcomes Jill as a member and wishes her a long successful run in the Village.
